Math 325 Mathematical Modeling Wiseman

MATH QUESTIONNAIRE
Due in class Friday, 1/18.

Please put some thought into the following questions.

NAME:

(1) What math classes have you taken? When?

(2) What's your major (if you have one)?

(3) Why are you taking this course?

(4) What do you like or dislike from your math professors?

(5) What can you do yourself to make sure the class goes well?

(6) Any other comments?
